DWS to host Baswa le Meetse competition

09 May 2017

The Department of Water and Sanitation's North West region will host the annual Baswa le Meetse (**BLM**) District Competitions in Klerksdorp on Wednesday, 10 May 2017.

Baswa le Meetse programme promotes water wise awareness through messages on water use efficiency, water conservation, water resources protection and health and hygiene. It targets Grade 6 learners who use various art forms to communicate the messages, e.g. drama, traditional music, poetry, praise poetry and posters. The learners must align their messages with the theme **“WASHING OF HANDS, USE AND CARE OF SANITATION FACILITIES FOR A HEALTHY LIFE”**.

This programme aims to educate primary school learners with knowledge and skills towards wise water use. It is hoped that they will also transfer the knowledge and skills to their families and communities.

Members of the media are invited as follows:
