MEDIA STATEMENT

KZN to host Women and Disabled Supplier Development Workshop

22 August 2017

The KwaZulu-Natal Department of Water and Sanitation will be hosting the Women and Disabled Supplier Development Workshop at the provincial office on Wednesday, 23 August 2017 in Durban at 09:00.

The objective of the workshop is to afford women and disabled entrepreneurs to get more information about business opportunities within the Department and to facilitate improvement of relations and partnerships between the Department and its suppliers. The workshop will bring together approximately 50 Qualifying Small Enterprise - QSE and Exempted Micro Enterprise - EME owned by Women and people with disabilities

Women and people with disabilities in general face difficulties in entering the open labour market. This is why the Department has made various commitments in its policy and strategic documents to empower women and people with disabilities economically.

Government is committed to the transformation and create business environment that is conducive to all. Thus the Department would like to present a concept that will give effect to the empowerment of women, youth and people with disabilities.
