Water and Sanitation Innovation and Technology Solutions Exhibition moved to Saturday, 10 November 2018

30 October 2018

The Water and Sanitation Innovation and Technology Solutions Exhibition that was set to take place on Friday, 09 November 2018 has now been moved to Saturday, the 10th as a result of a Presidential visit to the Giyani Bulk Water Project by President Cyril Ramaphosa and Minister Gugile Nkwinti set for Friday the 9th.

The Innovation and Technology Solutions Exhibition follows the inaugural SA Investment Conference that took place at the Sandton Convention Centre on 25-26 October 2018.

The exhibition, themed ***“Innovations today for tomorrow’s water and sanitation solutions”*** will be officiated over by Minister Nkwinti and is set to bring together more than 50 exhibitors from across the country, who will be showcasing their innovative solutions to challenges currently faced by the water and sanitation sector.

It will also bring together stakeholders in the water and sanitation sector, government departments and their entities responsible for municipalities, industry and Organisation for Economic Co-operation and Development (OECD). Organisations looking for opportunities for commercialisation will also form part of the exhibition.

A platform will also be afforded to emerging innovators from historically disadvantaged backgrounds, with the focus geared towards women and young innovators. They will showcase their work and share experiences of the innovation landscape to date.

The exhibition will take place as follows:

Date : 10 November 2018

Venue : Birchwood Hotel, Boksburg.

Time : 09:00
