

## water & sanitation

Department:  
Water and Sanitation  
REPUBLIC OF SOUTH AFRICA

### MEDIA STATEMENT

#### **Water and Sanitation Innovation and Technology Solutions Exhibition postponed**

12 October 2018

Members of the media are advised that the Water and Sanitation Innovation and Technology Solutions Exhibition that was set to take place on Friday, 19 October 2018 at CSIR International Convention Centre in Pretoria, to be officiated by Minister Gugile Nkwinti has been postponed.

A new date will be communicated in the forthcoming weeks as the Department of Water and Sanitation (DWS) continues to tirelessly make the necessary preparations for the Exhibition.

The exhibition, themed "***Innovations today for tomorrow's water and sanitation solutions***" will see more than 50 exhibitors across the country showcasing their innovative solutions to the current challenges faced by the water and sanitation sector.

A platform will be afforded to emerging innovators from the historically disadvantaged backgrounds, with the focus geared towards women and young innovators in the sector. They will showcase their work and share experiences of the innovation landscape to date.

The department regrets any inconvenience that may have been caused.
