

KEY ACTIONS / ISSUES FROM MASIBAMBANE COORDINATING COMMITTEE MEETING HELD ON THE 06th February 2008

Item	Action / Issues	Reference	Responsibility	Comment
1	Ms Brisley informed the meeting of a project under DPLG where DWAF is involved of which the main purpose is to establish minimum qualifications for water managers at municipal level. She mentioned that the MCC will be kept updated about progress in the next meetings.	Paragraph 3.2 Page 3	M. Brisley	The document is attached
2	Ms Mbaso proposed a dedicated session to discuss the draft WfGD strategy before discussion at the WSLG in May/June 2008.	Paragraph 9.4 Page 14	SCU	Completed
3	It was suggested that the CIP discussion be integrated in the National Water Summit.	Paragraph 9.4 Page 14	SCU	Not done the focus for the Summit was more on Water for Growth and Development.
