

Water Services Provider Network

to
**enhance sustainable water services
provision**

PROGRESS

3 PHASED DEVELOPMENT APPROACH

Next steps

- The WSPN will be driven by Municipal Agenda-
 - Good specific diagnoses of problems and solutions
- Harness Expert Water Services Provider business knowledge at a Municipal Level (including the water and private sectors)
- Develop a comprehensive Specific Support Plans (Programme of Action) - to be widely shared with sector stakeholders and supporters
- Linkages with DWAF Sector Support Strategy
