

Objectives

- To ensure alignment between water sector objectives and government objectives as outlined in the Medium Term Strategic Framework (MTSF) and State of the Nation Address (SONA)
- To discuss how the Water Sector should respond to its challenges
- To deliberate on how to take forward issues emanating from the WfGD Summit Held on the 26th & 27th March 2009 while ensuring water is central to planning
- To review the progress made on the critical processes and strategies that have an impact on the water sector
